proper la do sa in order la pradentiv develop d	or operate the leased premise	es, whether or not similar	pooling authority exists with respect to such c	other lands or interests. Th
unit formed by such pooling for an oil well whith horizontal completion shall not exceed 640 ac	res plus a maximum acreage	tolerance of 10%; proviu	led that a larger unit may be formed for an oil '	well or gas well or notizonia
completion to conform to any well special or a	density nation that may be b	rescribed or permitted by	z any governmental authority having juristicuo	n to do 60. For the purposi
of the foregoing, the terms "oll well" and "gas prescribed, "oll well" means a well with an initi	ial das oil ratio of less than 10	10 000 cubic feel oer bar	rel and "gas weil" means a well with an initial (	198-01 L9110 DL JAN*NAN CREI
feet or more per barrel, based on 24-hour pequipment; and the term "horizontal complete	production fest conducted up	nder normal producing (	conditions using standard lease separator ia	cililies or equivalent team
equipment: and the term "horizontal completic	on" means an oil well in which	ch the horizontal compor	ient of the gross completion interval in the re	iservoir exceeds the vertica
component thereof. In exercising its pooling Production, drilling or reworking operations a	rights bereumder Lessee sha	all file of record a writter	r declaration describing the unit and stating t	ue ettective date ot boorinf
reworking pheralions on the leased premises.	except that the production of	n which I essor's rovally.	is calculated shall be that proportion of the to	iai unit btodaction which th
net acreage covered by this lease and includ Lessee. Pooling in one or more instances sh	led in the unit hears to the tr	ntal gross acreage in the	: unit, but only to the extent such proportion	or unit bloonciion ie soin n
unit formed hereuprior by expansion or confr	action or both, either before	or after commencement	of production, in order to conform to the we	ii sbacing or density barrei
prescribed or permitted by the governmental making such a revision, Lossee shall file of re	authority having jurisdiction	or to conform to any pro	iductive acreage determination made by such	i governmeniai aumoniy.  i
leased premises is included in or excluded fro	on the unit by virtue of such r	revision, the proportion 0	funit production on which royalities are payau	ie nejeunuei snaii indream
be adjusted accordingly. In the absence of pr a written declaration describing the unit and st	roduction in paying quantities.	from a unit, or upon perr	nanent cessation (héréor, Lessee may tennina	ite the milit by filling or recor
	wanty are eate or istributable.	. Joney Horasidor Bride		

7. If Lessor owns less than the full mineral estate in all or any part of the leased premises, the royalties and shut-in royalties payable hereunder for any wall on any part of the leased premises or lands pooled therewith shall be reduced to the proportion that Lessor's interest in such part of the leased premises bears to the full mineral estate in such part of the leased premises 8. The interest of either L either Lessor or Lessee hereunder may be assigned, devised or otherwise transferred in whole or in part, by area and/or by depth or zone, and the

rights and obligations of the parties hereunder shall extend to their respective heirs, devisees, executors, administrators, successors and assigns. No change in Lessor's ownership shall have the effect of reducing the rights or enlarging the obligations of Lessee hereunder, and no change in ownership shall be binding on Lessee until 60 days after Lessee has been furnished the original or certified or duly authenticated copies of the documents establishing such change of ownership to the satisfaction of Lessee or until Lessor has satisfied the notification requirements contained in Lessee's usual form of division order. In the event of the death of any person entitled to shut-in royalties hereunder, Lessee may pay or lender such shut-in royalties to the credit of decedent or decedent's estate in the depository designated above. If at any time two or more persons are entitled to shut-in royalities hereunder. Lessee may pay or tender such shut-in royalities to such persons or to their credit in the depository, either jointly or separately in proportion to the interest which each owns. If Lessee transfers its interest hereunder in whole or in part Lessee shall be relieved of all obligations thereafter erising with respect to the transferred interest, and failure of the transferred interest, and failure of the transferred interest shall not affect the rights of Lessee with respect to any interest not so transferred. If Lessee transfers a full or undivided interest in all or any portion of the area covered by this lease, the obligation to pay or lender shull-in royalties hereunder shall be divided between Lessee and the transferee in proportion to the net acreage interest in this lease then held by each.

9. Lessee may, at any time and from time to time, deliver to Lessor or file of record a written release of this lease as to a full or undivided interest in all or any portion of the area covered by this lease or any depths or zones there under, and shall thereupon be relieved of all obligations thereafter arising with respect to the interest so released. If Lessee releases all or an undivided interest in less than all of the area covered hereby, Lessee's obligation to pay or lender shut-in royallies shall be proportionately reduced

If Lessee releases all or an undivided interest in less than all of the area covered hereby, Lessee's obligation to pay or tender shut-in royalities shall be proportionately reduced in accordance with the net acreage interest retained hereunder.

10. In exploring for, developing, producing and marketing oil, gas and other substances covered hereby on the leased premises or lands pooled or unliked herewith, in primary and/or enhanced recovery, Lessee shall have the right of ingress and egress along with the right to conduct such operations on the leased premises as may be reasonably necessary for such purposes, including but not limited to geophysical operations, the utiling of wells, and the construction and use of roads, canals, pipelines, tanks, water wells, disposal wells, injection wells, pits, electric and telephone lines, power stations, and other facilities deemed necessary by Lessee to discover, produce, store, treat and/or transport production. Lessee may use in such operations, free of cost, any oil, gas, water and/or other substances produced on the leased premises, except water from Lessor's wells or ponds. In exploring, developing, producing or marketing from the leased premises or lands pooled therewith, the ancillary rights granted herein shall about (a) to the entire leased premises rescribed in Paragraph 1 above, notwithstanding any partial release or other partial termination of this lease; and (b) to any

except water from Lessor's wells or ponds. In exploring, developing, producing or marketing from the leased premises or lands pooled therewith, the ancillary rights granted herein shall apply (a) to the entire leased premises described in Paragraph 1 above, notwithstanding any partial release or other partial termination of this lease; and (b) to any other lands in which Lessor now or hereafter has authority to grant such rights in the vicinity of the leased premises or lands pooled therewith. When requested by Lessor in writing, Lessee shall bury its pipelines below ordinary plow depth on cultivated lands. No well shall be located less than 200 feet from any house or barn now on the leased premises or other lands used by Lessee hereunder, without Lessor's consent, and Lessee shall pay for damage caused by its operations to buildings and other improvements now on the leased premises or such other lands during the term of this lease or within a reasonable time to remove its fixtures, equipment and materials, including well casing, from the leased premises or such other lands during the term of this lease or within a reasonable time thereafter.

11. Lessee's obligations under this lease, whether express or implied, shall be subject to all applicable laws, rules, regulations and orders of any governmental authority having jurisdiction including restrictions on the drilling and production of wells, and the price of oil, gas, and other substances covered hereby. When drilling, production or other operations are prevented or delayed by such laws, rules, regulations or orders, or by Inability to obtain a satisfactory market for production or failure of purchasers or carriers to take or transport such production, or by any other cause not reasonably within Lessee's control, this lease shall not terminate because of such prevention or delay, and at Lessee's option, the period of such prevention or delay shall be added to the term hereof. Lessee shall not be liable for breach of any express or implied covernants of this

expiration of this lease, Lessor hereby agrees to notify Lessee in writing of said offer immediately, including in the notice the name and address of the offeror, the price offered and all other perfinent lerms and conditions of the offer. Lessee, for a period of filleen days after receipt of the notice, shall have the prior and preferred right and option to purchase the lease or part thereof or interest therein, covered by the offer at the price and according to the terms and conditions specified in the offer.

13. No fitigation shall be initiated by Lessor with respect to any breach or default by Lessee herounder, for a period of at least 90 days after Lessor has given Lessee written notice fully describing the breach or default, and then only if Lessee fails to remedy the breach or default, within such period. In the event the matter is litigated and

there is a final judicial determination that a breach or default has occurred, this lease shall not be forfeited or cancelod in whole or in part unless Lessee is given a reasonable time after said judicial determination to remedy the breach or default and Lessee fails to do so.

14. For the same consideration recited above, Lessor hereby grants, assigns and conveys unto Lessee, its successors and assigns, a perpetual subsurface well bore easement under and through the leased premises for the placement of well bores (along routes selected by Lessee) from oil or gas wells the surface locations of which are situated on other tracts of land and which are not intended to develop the leased premises or lands pooled therewith and from which Lessor shall have no right to royalty or

other benefit. Such subsurface well bore easements shall run with the land and survive any termination of this lease.

15. Lessor hereby warrants and agrees to defend title conveyed to Lessee hereunder, and agrees that Lessee at Lessee's option may pay and discharge any taxes, mortgages or liens existing, levied or assessed on or against the leased premises. If Lessee exercises such option, Lessee shall be subrogated to the rights of the party to whom payment is made, and, in addition to its other rights, may reimburse itself out of any royalties or shut-n royalties otherwise payable to Lessor hereunder. In the event Lessee is made aware of any claim inconsistent with Lessor's title, Lessee may suspend the payment of royalties and shut-in royalties hereunder, without interest, until Lessee has been furnished satisfactory evidence that such claim has been resolved.

16. Notwithstanding anything contained to the contrary in this lease. Lessee shall not have any rights to use the surface of the leased premises for drilling or other

Notwithstanding anything contained to the contrary in this lease, Lessee shall not have any rights to use the surface of the leased premises for drilling or other

17. This lease may be executed in counterparts, each of which is deemed an original and all of which only constitute one original DISCLAIMER OF REPRESENTATIONS: Lessor acknowledges that oil and gas lease payments, in the form of rental, bonus and royalty, are market sensitive and may vary depending on multiple factors and that this Lease is the product of good faith negotiations. Lessor understands that these lease payments and terms are final and that Lessor entered into this lease without duress or undue influence. Lessor recognizes that lease values could go up or down depending on market conditions. Lessor acknowledges that no representations or assurances were made in the negotiation of this lease that Lessor would get the highest price or different terms depending on future market conditions. Neither party to this lease will seek to after the terms of this transaction based upon any differing terms

which Lessee has or may negotiate with any other lessors/oil and gas owners.

IN WITNESS WHEREOF, this lease is executed to be effective as of the date first written above, but upon execution shall be blinding on the signatory and the signatory's heirs, devisees, executors, administrators, successors and assigns, whether or not this tease has been executed by all parties hereinabove named as Lessor
